COUNTRY STAR?

Haven of Style

Claudia Fowler, Music City stylist to the stars, offers eclectic fashion and accessories in her new boutique.

BY SHANE TARLETON

There's no doubt you've seen Claudia Fowler's work. As a wardrobe stylist, Claudia has styled such stars as Trisha Yearwood, Sara Evans and Martina McBride for over a decade. Though she loves her role as stylist—who wouldn't love jetting around the country shopping for celebs and attending all the awards shows, right?!—Claudia found herself searching for another creative outlet. Having owned two boutiques in Louisiana prior to relocating to Nashville, opening a store locally was a natural progression. Haven is located on the quaint downtown square of Franklin, south of Nashville. "Opening Haven has given me a greater appreciation for my work as a stylist," Claudia notes. "I've tried to create an environment that's not only comfortable, but inspiring." Inspiring it is! With incredible curb appeal, Haven welcomes you into a soothing, almost ethereal atmosphere. As you would expect, there is wall-to-wall unique fashion, but you'll also find incredible one-of-a-kind jewelry—and it's affordable! The fine array of wardrobe reflects Claudia's eclectic, yet always classic, taste. "She loves classic styles like I do," comments client Martina McBride about Claudia. "She is so great at doing classic, but updating it with a twist. She also finds the most fabulous jewelry I've ever seen!" You'll find that incredible jewelry at Haven. Check it out at sanctuaryofstyle.com!
